

Come cheer on your school at the 6th Annual SIUE Robotics Competition

🏀 *RoboSoccer Shootout!* 🏀

GOAL! GOAL! GOAL! It's Robot Soccer!

Robot Soccer is the most popular robotics competition in the world. This year's competition is based on RoboCup – two robot soccer players face off against each other. Each robot has a supply of soccer balls and a goal to defend – it's a penalty kick-off!

Robot Soccer Players will be coming from:

Collinsville HS
Columbia HS
East St. Louis Charter HS
Edwardsville HS

Highland HS
Mascoutah HS
O'Fallon HS
Triad HS

When: Saturday the 11th, 9 am to 1 pm

Where: SIUE, Engineering Building Atrium

What's at Stake: Bragging Rights and Scholarships
